

SUMMER 2025

Welcome to the **STEAM Studio**—where 2nd through 10th graders explore Science, Technology, Engineering, Art, and Math in real life while having fun, making friends, and creating memories at Miami University Regionals' campuses. We seek to build tomorrow's leaders in STEAM. We look forward to seeing you!

PROGRAM SESSIONS | CAMP HOURS 9 a.m. to 4 p.m.

MIAMI MIDDLETOWN • 5th – 8th GRADES

Culinary Chemist | June 16 – 18 | \$180

Get ready for a delicious adventure! Turn our kitchen into a lab and dive into hands-on experiments like making boba balls and more. Explore the science behind your favorite foods and wrap up the week with a fun celebration and tasty food tour!

Extreme STEAM Sports | June 16 – 18 | \$180

Combine the thrill of sports with the excitement of STEAM! From race car driver safety to dimples on a golf ball, this week will foster both a love for STEAM and various athletic pastimes. End the week showcasing your findings during our Sport Expo!

Robot Masters | June 23 – 27 | \$300

Dive into coding, electrical wiring, and engineering as you design your own robot prototype. Explore what you would build and why, while learning the basics of robotics. At the end of the week, showcase your creation at the Robot Expo!

RobotIX | June 23 – 27 | \$300

Level up your robotics skills by building and coding your own robotic mascot while exploring STEAM robotics careers. Showcase your creation at the Robot Expo at the end of the week! **Note: Must have attended Robot Masters in 2024 to participate.**

Level Up | July 7 – 11 | \$300

Turn your love for gaming into game design this week! Explore programming a game for a micro:bit, creating a top-down game, and more. Wrap up the week by showcasing your projects at our Gaming Expo!

Creative Fusion | July 7 – 11 | \$300

Join us in exploring the limitless possibilities where art and STEAM converge! Using coding and science, we will create visually stunning works, encouraging participants to think outside the box. At the end of the week, showcase your masterpieces during our STEAM art show!

MAX OF
45
PARTICIPANTS
PER SESSION

MIAMI HAMILTON • 5th – 8th GRADES

STEAM HERizons | July 7 – 11 | \$300

Are you a young woman passionate about science, technology, engineering, art, or mathematics? Be a part of an exciting journey as we ignite, educate, and empower the future generation of female leaders through dynamic learning in a vibrant, supportive community! Share your projects at the end of the week to inspire tomorrow's STEAMists!

STEAMology | July 7 – 11 | \$300

Join us for a week of hands-on activities in Ecology, Geology, Astronomy, and more! Explore a variety of scientific fields and spark your curiosity with exciting projects throughout the week. End the adventure by showcasing your experiences at the Exploration Expo Open House!

Marvels of Medicine | July 14 – 18 | \$300

Explore biology and medicine as you uncover the secrets of DNA and the systems that keep us alive. Wrap up the week by sharing your discoveries at the BioInsights Showcase!

Extreme STEAM Sports | July 14 – 18 | \$300

Combine the thrill of sports with the excitement of STEAM! From race car driver safety to dimples on a golf ball, this week will foster both a love for STEAM and various athletic pastimes. End the week showcasing your findings during our Sport Expo!

Level Up | July 21 – 25 | \$300

Turn your love for gaming into game design this week! Explore programming a game for a micro:bit, creating a top-down game, and more. Wrap up the week by showcasing your projects at our Gaming Expo!

Ultimate Gamer | July 21 – 25 | \$300

Level Up Graduates: Elevate your gaming skills this week by building a game controller, experimenting with 3D modeling, and exploring eSports and gaming careers. Dive deeper into advanced design techniques and bring your ideas to life. Showcase your creations at our Gaming Expo to cap off the week! **Note: Must have attended Level Up in 2024 or in Middletown to participate.**

STEAM Studio 2025 Sample Daily Schedule

Camp Hours 9 a.m. to 4 p.m.

9:00 a.m. to 9:15 a.m. CHECK IN

9:15 a.m. to 9:30 a.m. POWER UP! GROUP TEAM BUILDING

Group Team Building Activities

Daily Kickstarter Challenge

A STEAM challenge to start the day!

9:30 a.m. to 10:00 a.m.

STEAM activities that are focused around our weekly theme

11:45 a.m. to 12:00 p.m. Program Theme Workshop #1

12:00 p.m. to 1:00 p.m. Lunch/Recreation Time

1:15 p.m. to 2:30 p.m. Program Theme Workshop #2

2:45 p.m. to 3:45 p.m. Camper Choice Session

A mixture of themed crafts, large-scale general STEAM activities, focused physical activities and more! Campers will choose from daily activities being offered.

4:00 p.m.

Power Down! CheckOut

A chance to reflect on our day's experiences!

STEAM Explorers | July 1 - 2 | \$120
2nd GRADERS ONLY
Middletown/Hamilton

If your child loves discovering how things work, this camp is perfect for them! Over two days, they'll build teamwork skills, solve fun problems, and explore the exciting connections between science, technology, and engineering—all while having fun!

Note: This program begins on Tuesday

VERANO 2025

Le damos la bienvenida a **STEAM Studio**, donde estudiantes de 2.º a 10.º grado exploran la ciencia, la tecnología, la ingeniería, el arte y las matemáticas (Science, Technology, Engineering, Art and Math, STEAM) en la vida real mientras se divierten, hacen amigos y crean recuerdos de verano en los campus de Miami University Regionals. Buscamos desarrollar a los líderes del mañana en STEAM. ¡Esperamos verle pronto!

SESIONES DE PROGRAMAS | HORARIO DEL CAMPAMENTO: de 9:00 a. m. a 4:00 p. m.

MIAMI MIDDLETOWN • De 5.º a 8.º GRADO

Químico culinario | Del 16 al 18 de junio | **180 USD**
¡Prepárese para una deliciosa aventura! Convierta nuestra cocina en un laboratorio y sumérjase en experimentos prácticos, como hacer perlas de tapioca y más. Explore la ciencia detrás de sus comidas favoritas y termine la semana con una divertida celebración y un sabroso recorrido gastronómico.

Deportes extremos de STEAM |

Del 16 al 18 de junio | **180 USD**

¡Combine la emoción de los deportes con el entusiasmo de STEAM! Desde la seguridad de los pilotos de carreras hasta los hoyuelos en una pelota de golf, esta semana fomentará tanto el amor por STEAM como por diversos pasatiempos deportivos. ¡Al final de la semana, presente sus hallazgos durante nuestra Exposición deportiva!

Expertos en robots | Del 23 al 27 de junio | **300 USD**

Profundice en la codificación, el cableado eléctrico y la ingeniería mientras diseña el prototipo de su propio robot. Explore lo que construiría y por qué, mientras aprende los conceptos básicos de la robótica. Al final de la semana, exhiba su creación en la Exposición de robots.

RobotIX | Del 23 al 27 de junio | **300 USD**

Cree y codifique su propia mascota robótica para subir de nivel en sus habilidades en robótica, mientras explora las carreras profesionales en robótica de STEAM. ¡Exhiba su creación en la Exposición de robots al final de la semana! **Nota: debe haber asistido al programa Expertos en robots en 2024 para participar.**

Nivel superior | Del 7 al 11 de julio | **300 USD**

Convierta su amor por los juegos en diseño de juegos esta semana. Programe un juego para un micro:bit, cree un juego con vista elevada y mucho más. ¡Finalice la semana exhibiendo sus proyectos en nuestra Exposición de juegos!

Fusión creativa | Del 7 al 11 de julio | **300 USD**

¡Únase a nosotros para explorar las posibilidades ilimitadas donde convergen el arte y STEAM! Mediante la codificación y la ciencia, crearemos obras visualmente impresionantes y animaremos a los participantes a pensar de forma original. Al final de la semana, iexhiba sus obras maestras durante nuestro espectáculo de arte de STEAM!

MIAMI HAMILTON • De 5.º a 8.º GRADO

Horizontes femeninos en STEAM | Del 7 al 11 de julio | **300 USD**
¿Es usted una mujer joven apasionada por la ciencia, la tecnología, la ingeniería, el arte o las matemáticas? Sea parte de este viaje emocionante en el que inspiramos, educamos y empoderamos a la futura generación de mujeres líderes a través del aprendizaje dinámico en una vibrante comunidad de apoyo. ¡Comparta sus proyectos al final de la semana para inspirar a futuras participantes de STEAM!

STEAMología | Del 7 al 11 de julio | **300 USD**

¡Únase a nosotros esta semana para participar en actividades prácticas sobre ecología, geología, astronomía y más! Explote una variedad de campos científicos y despierte su curiosidad con proyectos emocionantes durante toda la semana. ¡Termine la aventura exhibiendo sus experiencias en la Sesión abierta de la exposición de exploración!

Maravillas de la medicina | Del 14 al 18 de julio | **300 USD**

Explore la biología y la medicina mientras descubre los secretos del ADN y los sistemas que nos mantienen vivos. ¡Finalice la semana compartiendo sus descubrimientos en la Exposición BioInsights!

Deportes extremos de STEAM | Del 14 al 18 de julio | **300 USD**

¡Combine la emoción de los deportes con el entusiasmo de STEAM! Desde la seguridad de los pilotos de carreras hasta los hoyuelos en una pelota de golf, esta semana fomentará tanto el amor por STEAM como por diversos pasatiempos deportivos. ¡Al final de la semana, presente sus hallazgos durante nuestra Exposición deportiva!

Nivel superior | Del 21 al 25 de julio | **300 USD**

Convierta su amor por los juegos en diseño de juegos esta semana. Programe un juego para un micro:bit, cree un juego con vista elevada y mucho más. ¡Finalice la semana exhibiendo sus proyectos en nuestra Exposición de juegos!

El jugador definitivo | Del 21 al 25 de julio | **300 USD**

Graduados de nivel superior: Cree un controlador de juegos, experimente con el modelado 3D y explore los deportes electrónicos y las carreras profesionales en juegos esta semana para mejorar sus habilidades en los juegos. Profundice en técnicas de diseño avanzadas y haga realidad sus ideas. ¡Exhiba sus creaciones en nuestra Exposición de juegos para finalizar la semana! **Nota: debe haber asistido al programa Nivel superior en 2024 o en Middletown para participar.**
