This is a safe and private space for teens who have tried vaping, weed, or alcohol. Teens will get help from counselors and talk to other teens who have used these things too. They'll also learn way to make healthy choices for the future.

Location: Go into the parking lot with the "Coldwell Banker" sign. The group is in the first building on your left (Building A). Use the door on the left side. Wait in the waiting room for the group to start.
