COMMUNITY FUNDRAISER NIGHT

WATER FOR SOUTH SUDAN FUNDRAISER

Talawanda Middle School
October 14, 2024
6:00-8:00 PM

About Our Event

As a response to our School Wide Read of the book [A Long Walk to Water](#), the TMS staff and students are excited to host a community-wide fundraiser for Water for South Sudan. This non-profit organization was founded by the book's main character and seeks to provide clean drinking water to all in South Sudan, even across tribal lines.

PLEASE JOIN US!

Event Highlights

Walkathon

Students will secure pledges and donations based on the number of laps they'll make of our walkathon course. This activity highlights the very long distances many people in South Sudan must walk daily or twice daily in order to reach fresh water. Anyone interested may also walk the walkathon path that evening or simply cheer on our student walkers!

Rain Barrel Auction

We will have TEN hand-painted rain barrels available for auction.

Cultural Exhibition

World Cultures classes have been learning about South Sudan, and will have many visual and interactive exhibits on display.
