Often this is done at the same time an application for attendance is completed.

Additional scholarship opportunities are posted on the THS Counseling website as information is received. Seniors should check the website for these opportunities.

Please use BINDER CLIPS on your individual application. DO NOT use paper clips, envelopes or report covers.

All forms & required documents must be returned to the Guidance Office by 3:00 PM on February 23, 2024. No late applications will be accepted.

It is our country's oldest civil rights organization. NAACP's mission is to ensure the political, educational, equality of minority group citizens of the United States and eliminate race prejudice. NAACP branches work to remove all barriers of racial discrimination through democratic processes.

Your Oxford NAACP was chartered in 1943. We promote civil rights and social justice at the local level in Oxford, Ohio and the Talawanda School District. We believe in the strong commitment that every child deserves an honest, high-quality education based on truth, facts, and diverse perspectives, regardless of race, identity, background, or zip code. As part of the national organization, our local goals are also to "ensure the political, educational, social, and economic equality of the citizens, to eliminate prejudice, and remove barriers of racial discrimination."
