THS Senior Newsletter: Graduation Edition

Any graduating senior participating in or contributing to inappropriate behavior during the commencement ceremony will be promptly removed from the ceremony by the Oxford Police Department.

We know seniors are finalizing their plans for their post graduation journey. Most colleges/universities should be informed of your decision to attend or not attend their institutions by May 1st.

Colleges and universities require a final transcript with the graduation date to be sent for all incoming students.

Transcripts must be sent via Parchment, our third party verification service. Please create your account with your personal email address as your Talawanda email will be deactivated after graduation.

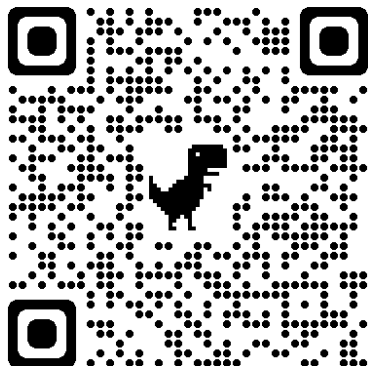

The 2023 Senior Scholarship Information Google Form has been sent out to both student and parent/guardian email addresses. Complete this form if you have received any scholarships or grants, including those from institutions that you are not planning to attend.

If you have yet to complete this form, please scan the QR below.

You must complete this Google Form by April 25th. This will ensure that you will be recognized for your accomplishments in the commencement booklet. If you have any questions regarding this form, contact Ms. Wise at wisem@talawanda.org or 513-273-3218.

Ohio's education system is dedicated to preparing students for future success. To better understand what students go on to do after high school, the Ohio Department of Education is developing a new exiting student follow-up data collection to meet requirements in federal and state law. Please be on the lookout for information regarding this survey upon completion of graduation!
