

# PLANT THE PROMISE

**“Together, building a  
healthier community”**

**October 20th at 9:00 a.m.  
Uptown Park – Oxford**

**Please join us as we gather in the park and  
then break into groups to plant red tulip bulbs  
throughout the community.**

**Every time you see a red tulip, remember  
that it is a promise to keep our young people  
safe, healthy and drug-free!**

**For more information or to volunteer, contact
